

13th EURO-conference on Rock Physics and Geomechanics

2 - 6 September 2019, Potsdam, Germany

We are pleased to announce the first keynote speakers of the 13th EURO-conference on Rock Physics and Geomechanics 2019. Thanks to the colleagues from Switzerland, the Republic of Korea, The Netherlands and Germany for contributing to the success of the conference. We are also pleased to announce that the conference registration has been opened, you are cordially invited to register. We would like to thank all those who have already submitted their contributions. We look forward to further submissions, don't miss this opportunity to share your research with the international community. Feel free to pass on this announcement to anyone who might be interested. A conference is as good as its participants! Hope to see you in Potsdam.

Hannes Hofmann,
on behalf of the local organizing team

Rock fracturing and fault activation: experiments and models

Keynote speakers confirmed

Welcome to Prof. Dr. Marie Violay, École Polytechnique Fédérale de Lausanne, Switzerland; Dr. Li Zhuang, Korea Institute of Civil Engineering and Building Technology, Republic of Korea; Dr. Suzanne Hangx, Utrecht University, The Netherlands; from Germany Prof. Dr. Heinz Konietzky, TU Bergakademie Freiberg; Prof. Dr. Florian Amann, RWTH Aachen University; Prof. Dr. Serge Shapiro, Freie Universität Berlin and Prof. Dr. Georg Dresen, Helmholtz Centre Potsdam German Research Centre for Geosciences.

Abstract submission: 6 weeks to go!

Contributions can still be submitted. The focus is on rock fracturing and fault activation studies, at laboratory, mine, and field scale, as well as related modeling efforts. [Abstract submission](#)

Preliminary program online

The [preliminary program](#) has been published and will be updated regularly.

Conference registration opened

The registration fee covers all costs related to the conference participation including lunch, dinner, coffee breaks, conference proceedings, social events and five nights accommodation with breakfast (1.-6.9.2019) depending on the chosen accommodation option. Students and early career scientists can apply for a grant covering the conference registration fee. Please contact us and send a short justification and the contact details of your supervisor. [Online registration](#)

Want to become a sponsor?

We invite companies and institutions to become a sponsor, a good way to strengthen your visibility. We offer space for information booths, acknowledgement in the opening session, on the website and in printing materials, as well as the option of sponsoring "named" events (e.g. receptions or lunches). Please contact us for details at euro-2019@gfz-potsdam.de.

Dates & deadlines

1 December 2018 – Abstract submission opens

pending deadlines

1 March 2019 – Conference registration opens

15 April 2019 – Abstract submission closes

15 May 2019 – Notification to authors on acceptance

15 July 2019 – Conference registration closes

1 September 2019 – Arrival & registration, Icebreaker evening

2 - 6 September 2019 – 13th EURO-conference on Rock Physics and Geomechanics
